

Test Prep Checklist:

- I reviewed the PDF's of the **lecture notes** at least once.
- I regularly reviewed the PDF's of the **lecture notes** (i.e., **more than once**).
- I looked at the videos under the “**Supplementary Material**” heading.
- I went to the instructor's **office hours** with questions.
- I read the **assigned readings**.
- I answered all the questions from the **study guide** with help from and in the language of the lecture notes.
- I re-answered all the questions from the study guide **in my own words**.
- I checked with a classmate or with the instructor that **my answers were correct**.
- I **talked about the material** with a classmate and/or the instructor.
- I **gave myself several days** to integrate the material (as opposed to cramming).
